- Creative & Content:** CapCut, DaVinci Resolve, Canva

WORK EXPERIENCE

- Product Information Research Analyst** 2024 - 2025
Woflow Inc. - San Francisco, USA (Remote)
 - Managed product information, images, and attributes across large e-commerce catalogs, ensuring data accuracy and consistency for a high-volume U.S.-based client.
 - Reviewed and validated product data, mapped images to products, and performed quality checks to maintain accuracy across databases and e-commerce systems.
 - Identified and resolved catalog discrepancies, streamlining research workflows and consistently meeting project deadlines.
- Freelance Video Editor** 2020 - 2026
Self-Employed
 - Edited promotional videos, graduation videos, short-form content, podcast clips, and social media content for a range of clients.
 - Applied storytelling techniques, transitions, effects, captions, and trend-based editing strategies using CapCut and DaVinci Resolve.
 - Delivered polished, on-brand videos on deadline, supporting both content creation and digital marketing needs.

EDUCATION

- Bachelor of Science in Computer Engineering** 2026 - Present
ICCT Colleges, Cainta Campus
 - Pursuing a degree in Computer Engineering with a focus on computer systems, programming, and technology applications.
- Science, Technology, Engineering, and Mathematics (STEM)** 2024 - 2026
ICCT Colleges, Cogeo Campus
 - Completed STEM studies with a foundation in mathematics, science, technology, and engineering principles.
